SHORT FORM SPECIFICATIONS:

Duke Aerohot Steamtables - Shelving. 956 Series and **83x Series** shelves shall be constructed of heavy gauge stainless steel, with edges flanged down 2" and supported on formed, 3/4" square stainless steel tubular brackets. These shelves shall be 10-1/2" wide. **956 Series** serving shelves shall extend 14" above counter top and be available with or without glass protector panel. 956 shelves will not accommodate No. 546 Telescope Cover. **83x Series** shelves shall extend 20" above counter surface. The guards are glass and will clear top by 12", permitting easy self-service of food. The **98x Series** of glass display shelves shall be 16" wide and have glass set in a rectangular frame made of 3/4" square stainless steel tubing. Glass to be flush with the top of the frame. Upright supports shall be formed, 3/4" square stainless steel tubular brackets. The top shelf on the **98x Series** extends 20" above counter top with bottom shelf located 8" below top shelf. Sneeze guards to be mounted on adjustable stainless steel brackets with exposed glass edges bound in stainless steel channels. When shelves with lights or heat lamps are mounted to unit, unit may not be UL listed.
