

# MIR<sup>o</sup>IL Filters for fryers with built in filter machines

"Products for Better Frying"

**Enhance filter performance**  
Effectively captures micron size food particles

**Save on labor** 1/2 the cost of most paper filters  
Basin does not require daily cleaning because crumb is captured in the filter bag

**Save on cost of paper**  
Rinses in seconds with hot water spray for reuse

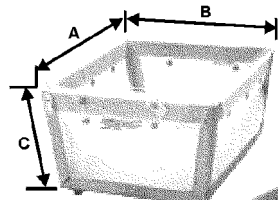

Use MirOil basin filters instead of costly paper filters for your built in filter machine

## Retro-fit Basin Filters

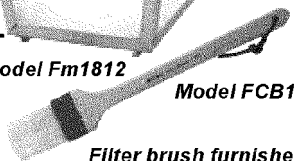

For fryers with built in filter machines and most portable filter machines
