

Innovative.
Clean.
Efficient.
Limitless.

Ice machines so advanced and environmentally-friendly they have elevated the entire industry to a new standard. And because they're from Ice-O-Matic, you know they're easy to use.

Simplicity. Elevated.

As the most advanced ice maker on the market, the new Elevation Series machines are easy to clean, easy to operate, easy to service and environmentally responsible without sacrificing productivity. Only from Ice-O-Matic, the leader in ice, pure and simple.

Made in the U.S.A.

THE ELEVATION SERIES

Innovation
with Altitude

Ice was never so hot

THE ELEVATION SERIES

EXCLUSIVE FEATURES

FOOD ZONE

Sanitation has never been easier. Unique plastic food zone parts snap in and out and are dishwasher safe.

WATER DISTRIBUTION TUBE

No bottle brushes required. Easily removed and disassembled for cleaning. Dishwasher safe.

DUAL EXHAUST

Groundbreaking technology allows hot-air discharge from the side or the top of every unit.

ONE-TOUCH CLEANING

One touch to sanitize, one touch to de-lime. LEDs signal when cleaning is required.
