Star® Hot Dog & Bun Steamers

□35SSA □35SSC □75SSA

35SSA

35SSC

DESCRIPTION

Star's hot dog and bun steamers are ideal for snack bars, stadiums, ball parks, arenas, convention centers, fast food chains or any other high volume foodservice application. Star's line of hot dog and bun steamers offer you just the right model for any foodservice operation. 35SSA holds 170 dogs & 18 buns (w/ Juice Tray). 35SSC holds 130 dogs & 30-40 buns. 70SSA holds 230 dogs & 36 buns (w/ Juice Tray).

SPECIFICATIONS

Models 35SSA & 70SSA are constructed of corrosion resistant stainless steel and has pull down door to provide easy access to hot dogs and buns. Units have a stainless steel water pan and is supplied with a convenient front drain valve, low water indicator, juice tray and tempered glass. The unit is equipped with powerful tubular immersion type element, adjustable thermostat, on-off switch, and 6 ft. lead in cord with grounded NEMA 5-15P. Steamer approved by ULS, UL and CUL. Model 35SSC side-by-side hot dog steamer is constructed of stainless steel with two individual removable stainless steel lids on both sides of unit for easy and safe access to hot dogs and buns. Unit has a six quart capacity stainless steel water pan and supplied with a convenient front drain valve. The unit is equipped with a 1000 watt tubular immersion type element, adjustable thermostat, on-off switch and 6ft. lead-in cord with grounded plug. Unit is UL and NSF approved.

WARRANTY

These units come with a one [1] year warranty for parts and labor.

FEATURES

- Steamers for every occasion! Steamers are perfect for hot dogs and buns or a variety of other food products suitable for steaming
- Features pull down & top loading for easy, safe access and displaying of products, buns and more
- Side by side design provides more control of heat and humidity for all of your steaming needs. Hot dog compartment features a shelf for sectional control. Bun compartment features a humidity control system and a bun rack to keep buns warm and fresh
- Powerful tubular element for faster heat up and more consistent temperature and humidity control
- Adjustable thermostat for accurate temperature control.
- Large capacity water pan for all day steaming. 35SSA holds 11 quarts 35SSC holds 6 quarts and the 70SSA holds 14 quarts
- Low water indicator light is standard on both models for convenience and longer element life
- Adjustable thermostat for accurate temperature control
- Front drain valve for easy cleaning
- Hot dog juice tray (standard on both models) helps keep your water pan cleaner
