

Subcategory: **Master Chef Lift-off Broilers**

Product ID: **MB12**

Product Model: **2-burner commercial range top broiler**

Description: Fits most commercial ranges. This 2-burner broiler is designed for more permanent applications and can handle the higher grease volume of a professional kitchen. It features a removable grease tray, adjustable frame and a unique broiler design that will not drip grease into the burners. Most juices burn off in the flare pan, giving the smoky broiled flavor.

Size: Frame and grease tray measure 12" wide x 27" long

Weight: 30 lbs each

Case Pack: 1

Case Weight: 30 lbs
