Encore[®] Electronic Clamp On Auto Flusher KT-2000

*Dimensions shown in inches (mm) are for reference only
 and are subject to change.*

Approximate shipping weight - 1 lbs
 Warranty - 3 years

Easy to install flusher retrofit

Commercial Quality Features

- Fits right-hand or left-hand flush handles
- Works with toilets and urinals
- (4) C-cell alkaline batteries - included - average 3+ years (60,000) battery life under normal operation
- Infrared convergence-type object lock detection with adjustable range from 12" to 48"
- Low battery indicator gives approximately 2-3 months warning

SPECIFICATIONS:

Electronic clamp on auto flusher to be Encore KT-2000. Unit shall be battery powered with low battery indicator. (4) C-cell alkaline batteries shall be included. Flusher to be designed with trap seal protection - preventing malodorous smells from sewer gas from escaping through unsealed traps due to water evaporation. Flusher shall operate with any flush cycle and complies with ADA requirements.
