

# EASY

NEMCO MODEL #N55650

# Kutter™

**Cuts mounds of crisp, fresh, lettuce in seconds!**

• Both the pusher block and blade assembly remove for easy cleaning without the use of tools

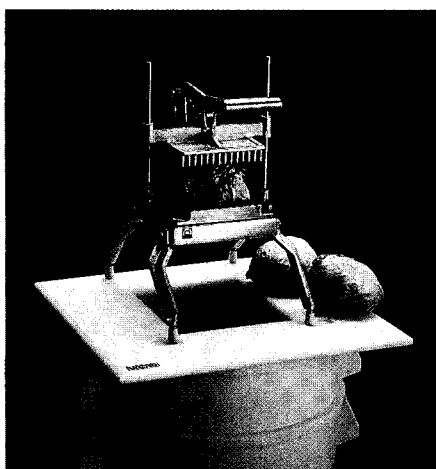

• Easy to use

• Cuts 1" squares; nested blades avoid flexing, no tensioning required

• Clean slicing action of the stainless steel scalloped blades prevents crushing and bruising to extend life of cut lettuce

• Blades are individually replaceable

• Durable

Also available:  
**The Easy LettuceKutter™  
Cutting Board, Model #55491.**

This NSF listed, heavy duty poly board fits on top of 20 and 32 gallon Greenskeeper® containers and will accommodate other lettuce cutting machines. Measures 24" x 24" x 3/4".

## Built to last:

Like all Nemco products, the Easy LettuceKutter™ is designed, engineered and built for years of reliable service. Sturdy construction holds up to the toughest day-in, day-out use. And it's a snap to clean!

## NSF listed:

The Easy LettuceKutter™'s National Sanitation Foundation (NSF) listing assures foodservice operators that the equipment is manufactured in compliance with the sanitation standards established by the NSF. These standards are both locally and internationally recognized.
