**CARLISLE**  
make workeasier

The Coldmaster® Ice Cream Server keeps ice cream cold and at the perfect serving consistency, plus it's portable too! Now it's easy to offer ice cream service anywhere - buffets, kiosks, outdoors, hospital wards, or classrooms. With one overnight (8 hour) charge in your freezer, the Coldmaster® Ice Cream Server will keep ice cream at or below 32°F for an extended serving time (over 6 hours).\*

- 10" interior diameter accommodates standard 3-gallon ice cream tubs
- patented non-toxic refrigerant gel holds temperature longer than any other similar product
- extra insulation surrounds refrigerant gel for maximum retention when holding or transporting
- made of durable, high-impact ABS plastic
- servers now include a free Clear Polycarbonate Lid (CM1013 - replacements sold separately); lids protect against contaminants and help maintain cold temperatures
- dishwasher safe
- Coldmaster® Ice Cream Shroud offers an upscale appearance with its stainless steel cover
- colors: **Black(03) and White(02)**  
**CM1013 in Clear(07)**

Coldmaster Ice Cream Server now come with a polycarbonate Lid to help maintain cold temperatures even longer

Prod. No.	Description	Case Pack	Case Wt. Cube	List Price
