

Edlund Electric Can Openers

For foodservice operations that open up to 75 cans per day, Edlund Electric Can Openers are a smart choice. These time-tested, commercial openers offer ultimate convenience while providing a choice of countertop or portable models.

- Effortless electric operation
- Spring-loaded mechanism opens even dented cans
- Available in single speed, or two speed models for multiple can sizes
- Replaceable knife and gear provide long life
- Opens most shapes and sizes
- Compact design allows for easy storage when not in use
- Sleek stainless steel construction provides durable operation and cleans easily
- Model 201 features high impact lexan plastic housing
- Made in U.S.A.

Our countertop and portable electric openers put a handle on can opening convenience.
