

MetroMax 4 Forever Value.

Corrosion proof performance,
proven Metro stability, and
unrivaled value.

MetroMax 4 offers superior performance than coated wire shelving. Its advanced all-polymer design delivers a longer life in tough environments. MetroMax 4's proven stability enables a variety of stationary and mobile uses. That's a tremendous value!

Proven Metro® Performance.

Corrosion proof.

Designed for harsh environments. Lifetime warranty against rust and corrosion.

Easy-to-clean.

Removable shelf mats wash easily by hand or in commercial washers. Built-in Microban® antimicrobial product protection keeps the product "cleaner between routine cleanings".*

Unrivalled Value.

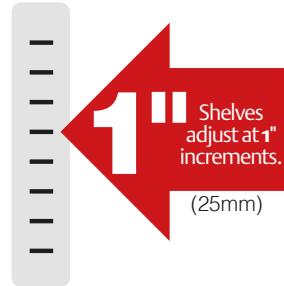

Stability.

Strength to stand alone. 800lb (363 kg) shelf capacity addresses most storage needs. Stationary units hold up to 2000lbs (907kg).

Mobility.

Durable to handle doorways and thresholds. Holds up to 750lbs (340kg) per mobile unit.

Efficiency.

System that safely holds and organizes supplies with shelves that adjust on 1" (25mm) increments.

Interchangeable.

MetroMax 4 is compatible with heavier duty versions, MetroMax® i and MetroMax® Q, to address a variety of applications and budgets.
