

C5® E-Series
Heated Holding & Proofing Cabinets

Everyday E-ffordability.

Get the right essentials, and the reliability of a trusted brand.

Metro's value driven C5® E-Series design provides the right mix of features to economically hold & proof in the same cabinet. Universal slides accommodate a variety of pans and higher power output assures food stays hot, safe, and appetizing. C5 E-Series is a winning combination of the best features, the right price, and top-quality US made construction!

The best features at a great price.

Hold & proof in the same cabinet.

Heated holding & proofing capabilities with one piece of equipment. Go from holding to proofing with the simple flip of a switch.
