SF58V

ECONOMY REACH-IN FREEZER

FEATURES

Berg’s 22 cubic foot (nominal), 17.6 Cu Ft (actual storage volume) one-door reach-in freezers have 4 adjustable shelves, 1 small bottom shelf and digital temperature control. The digital temperature display is prominently displayed above the door for easy viewing. Berg refrigerators and freezers are designed to meet the requirements of the most discriminating customer.

- Textured, gray, durable finish
- Rugged painted steel exterior and PS interior, easily cleaned, low maintenance and an excellent value
- Easy to use and set digital controller for easy operation
- Worry-free reliable operation
- Single heavy duty handle and door for added durability
- 3" diameter swivel casters come standard (4" overall plate caster height)
- 2 of the casters lock, so the upright will stay in place once it is rolled into position
- Door locks come standard
- Door-frame heaters standard
- Field reversible door
- Bright LED lighting on top of the cabinet
- Bottom-mounted oversized compressor
- Snap-in gaskets are removable for cleaning or replacement
- 115V/60Hz
- Uses environmentally friendly non-CFC R290 refrigerant
- Commercially designed, tested and listed as compliant to ANSI NSF7 and ANSI UL 471 standards F
