BRFS-1D/22

Refrigerated Merchandiser

CONSTRUCTION

- Black coated steel exterior for a sleek appearance
- Painted aluminum liner interior allows for easy cleaning
- The cabinet is insulated throughout with a foamed-in-place high density cell polyurethane insulation
- Large glass doors that provide high visibility with anti-fogging

TEMPERATURE

- Refrigeration units use environmentally friendly R290 refrigerant
- Bottom mounted cooling unit slides out for easy cleaning and maintenance and allows for storage area on top of the unit
- Maintains a temperature range of 33°–40°F
- Rugged built axial evaporator fans run efficiently with low velocity and high volume air flow

FEATURES

- Illuminated bright interior lights for greater visibility
- Self closing door
- Front mounted LED temperature display
- Removable door gasket for easy cleaning
- Adjustable plastic coated steel shelves that have a load capacity of up to 90 lbs per shelf

WARRANTY

- Two year parts and labor
- Five years on the compressor

BERG Glass Door Refrigerated Merchandisers are a great way to display cold drinks, packaged food and any other grab n' go items that are sold in your establishment. These units are perfect for convenience stores, delis, markets and so much more. With their anti-fogging glass and illuminated interior, the products inside will always be highly visible to your shoppers. The self closing door ensures the internal temperature stays at the desired temperature no matter how many times they are being opened. These units come standard with plastic coated steel shelves that are easily adjustable and a front mounted LED temperature display. These models are ETL Listed and ETL Sanitation. They are backed with a 2 year warranty on parts and labor and a 5 year warranty on the compressor.

Berg's continuing commitment to quality products may mean a change in specification or pricing without notice.

For warranty service on these products please call National Service America (NSA) at 1-877-672-7740
