

Vertical Open Air Merchandiser

Berg's vertical open air merchandisers are perfect for restaurants, convenience stores, grocery stores, cafes, and many other establishments. Whether you're selling bottled drinks or pre-packaged grab-and-go meals, salads or snacks, this merchandiser gives you the opportunity to let your products sell themselves. It features bright, cool LED lighting to show off your products at their best to draw attention. In addition to the bottom shelf, it comes with 3 adjustable shelves.

This item meets the sanitation standards imposed by the ETL, a division of the Intertek Group.

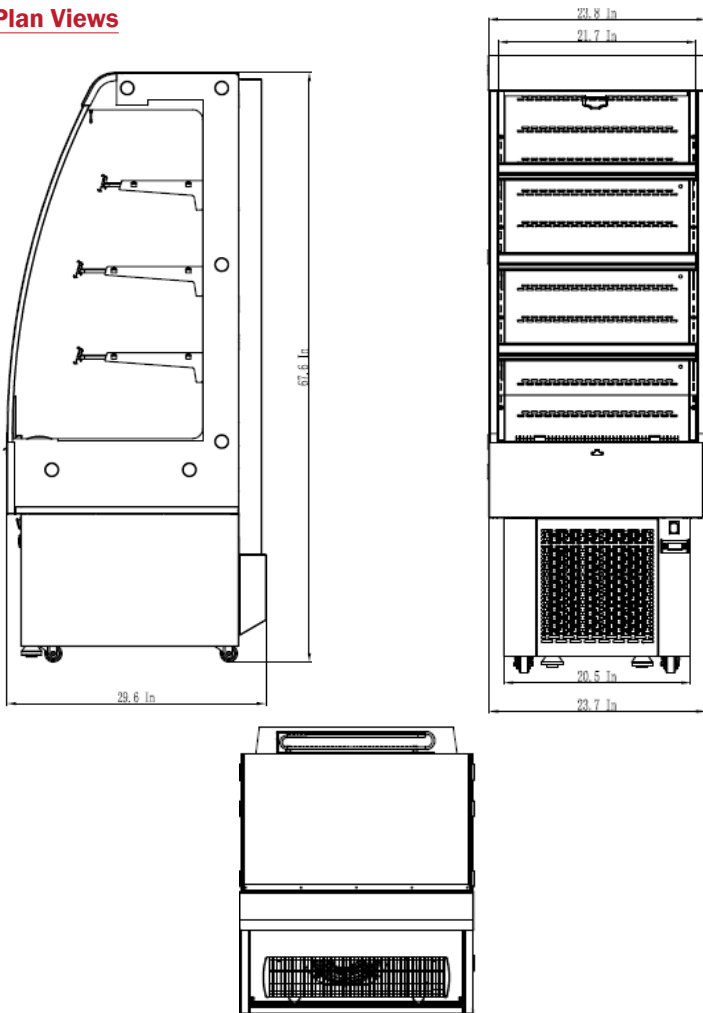

This item meets the electrical product safety standards imposed by the ETL, a division of the Intertek Group, for use in the United States and Canada.
