

Sentinel's heated pizza display merchandiser will keep your pizzas hot, fresh, and ready to enjoy. It has four glass sides so customers can see your delicious pizzas from any angle. Add this unit to your restaurant, pizza shop, concession stand, or food truck to hold freshly made pizzas and show them off to your customers. This pizza merchandiser offers four rotating chrome-plated 14" racks. The airflow pattern is designed to maintain a consistent set temperature while the rack continuously rotates, rotation stops when the door is opened.

This item meets the sanitation standards imposed by the ETL, a division of the Intertek Group.

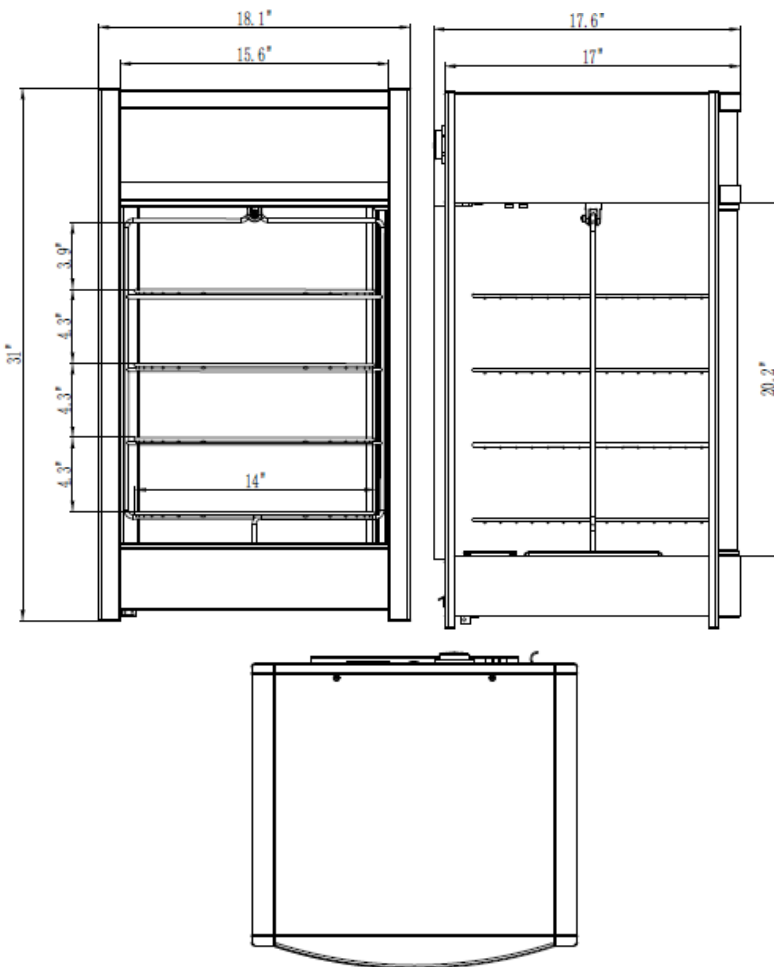

This item meets the electrical product safety standards imposed by the ETL, a division of the Intertek Group, for use in the United States and Canada.
