COMMERCIAL CHEST FREEZERS

Models : BCF-155, BCF-205, BCF-450

Model : BC-155

Model : BCF-205 / BCF-450

BERG's chest freezers are designed for both commercial and household use. This unit features a lockable lid to ensure the security of stored items. The low-profile casters facilitate easy mobility, making it simple to move the freezer as needed. Constructed with a durable white powder-coated steel exterior and an embossed aluminum interior, this chest freezer is built to last. It operates with a manual temperature controller that includes light-up indicators for easy monitoring. These models are ETL Listed and ETL Sanitation Listed. They come with a NEMA 5-15 plug and a six foot cord that requires a grounded circuit for safe operation.

Product Features

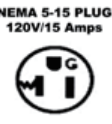

- Maintains a temperature range of -18° to 23°F
 - Heavy duty white powder-coated steel exterior
 - Embossed aluminum interior
 - R290 refrigerant ensures ideal operating temperatures
 - Includes two baskets
 - Casters for easy moving and cleaning
 - Foamed-in-place polyurethane high density cell insulation throughout the entire cabinet
- (Model : BCF-155 does not have a lock)

Operating Conditions

- Minimum distance of at least 4" is required along the sides and back of the chest freezer.

Warranty

- One year limited replacement warranty

   	Specifications subject to change without notice.
	For warranty service on these products, please call BERG at 888-585-9440
